SPEND SOLUTION

The fundamental goal of **Learnerships** is to bridge the gap between current education and labour market demand. Learnerships provide vocational training that is critical to skills development and employability, and for this reason they are seen as a priority element in the **B-BBEE Codes of Good Practice**

Skills Junction offers:

- [Employed Learnerships](#)
- [Unemployed Learnerships](#)
- [Learnerships for People Living with Disabilities](#)

Skills Junction is a **100% black female** owned entity, a proud **Level 1 B-BBEE** contributor, a **QCTO** and **SETA** accredited training provider offering **BEE** aligned skills development solutions – ensuring the delivery of quality learning and maximum financial benefits for skills development levy-paying entities.

Skills Junction's learning methodology leverages its **11-year pedigree** as a skills development training provider, we are exclusively qualified to exponentially increase the value of learnerships not only for the employer, but the learner as well.

SOLUTION COMPRISES:

At Skills Junction our focus is on developing people and our learner-centric approach is geared at empowering organisations, teams, and individuals with a dynamic skill set that will drive economic growth.

Our Learnership Optimisation Solution:

- **QCTO & SETA** NQF Level 1–6 occupational qualifications.
- High-quality training delivered by proficient facilitators, assessed and moderated by registered professionals.
- Management and Administration of the entire learnership project
- **BBBEE** – We work hand in hand with your **BEE** consultants or **BEE** specialists in your organisation to design solutions that not only upskill your employees but meet your skills development spend targets as well.
- Learnership Tax Incentives – We collaborate with your accountants or auditors to ensure that you receive the maximum annual and completion allowance.
- Reporting and **SETA** compliance done accurately and timeously, measured by timeous certification of learners
- Learner entry into the economy – workplace knowledge, skills and attitude that helps ensure learner retention and employment offers.
- Skills Development Facilitator Services
